

January 2015

You are invited to become a CSA member with Oxford Gardens this season.

We are launching the seventh season of Oxford Gardens' CSA program, as we continue to grow our farm, and our circle of friends.

The team at Oxford Gardens invites you to work with us in 2015, and connect with the land and the people who grow your food. This season we will have farm dinners, planting and harvest day parties and other opportunities to join us in the field. Details to follow later in the season.

This season we will also be keeping all of our friends connected and up to date about our activities through our Facebook page: www.facebook.com/OxfordGardensBoulder. Please like us, and stayed tuned.

Community Supported Agriculture (CSA) programs create a link between you and our farm, and between the consumption and production of your food. It is a mutually beneficial agreement - in exchange for your commitment to buy a share in our farm's harvest, we commit to grow exceptionally high quality vegetables and provide a bountiful portion of it to you for twenty weeks of the season.

2015 Season Calendar and Pick Up

In 2015, our CSA season runs for 20 weeks, from Wednesday, June 3rd to Saturday, October 24th. Members pick up produce every Wednesday, between 4:00 PM and 8:00 PM at our Farmers Market stand at the Boulder Farmers Market on 13th Street, between Arapahoe Ave. and Canyon Ave. If you will be out of town, it is always fine to "share your share" with anyone you wish while you are away.

Note: the last two pick-ups of the season will take place after the final Wednesday Boulder Farmers Market on October 7th, 2014. Therefore the final CSA pick-ups will take place at the market on Saturday, October 17th and Saturday, October 24th.

Shares and Prices

We are offering two share sizes again this year: **Whole** - \$650.00 (\$35/week, for 3-5 people) and **Partial** - \$450 (\$25/week, for 1-3 people).

As the demand for CSA's often exceeds the supply in this area, we expect to quickly enroll our CSA members this season. So please be in touch soon. Last year we had to turn down applications later in the spring. So don't wait.

Want to Sign Up?

To renew your membership, just fill out the attached CSA forms, and mail them, along with your payment, to Peter Volz, Oxford Gardens, 3056 8th St., Boulder, CO, 80304. Make sure you read through the agreement, as the restrictions and conditions for CSA membership are outlined in this document.

Payment is **due in full by Friday, February 27th, 2015**. Checks are payable to *Oxford Gardens*.

Early payment is greatly appreciated, as our early cash “flow” tends to be more of a “trickle” until later in the spring.

Later in the spring, members will receive an email explaining in more detail our CSA program for 2015.

Our growing season begins in earnest in early April. Please come out and visit us any time. We always love to see our CSA members in the field, and we always welcome volunteers. In 2015, the Boulder Farmers Market begins on Saturday, April 4th, so please come by and visit us at the market. In April we will have lots of great early greens.

Thanks for your interest in our CSA program. I hope you will join us for another bountiful and joyous year. Please contact us at 303.817.9676 if you have questions.

Peter Volz & the Oxford Gardens Team
